Mission

Working RE Home Inspector magazine is published tri-annually to help home inspectors build their businesses, reduce their risk of liability and stay informed on important technology and industry issues.

Published by OREP

Working RE is published by OREP, a leading provider of home inspector insurance nationwide. OREP has a low cost, broad coverage E&O and GL policy. Coverages available include radon, infrared, termite, pest/rodent, lead paint, mold, septic, and more. See inside front cover for more information or visit us online at OREP.org to get a quote today!
